Foam Keyboard Wristrest

Product Number **62383**

This foam wristrest is designed to distribute wrist pressure for more comfortable typing. The soft fabric covered pads are situated where hands naturally rest and the dedicated numeric pad ensures comfortable number input. The non-slip base prevents the rest from moving around and the universal size ensures it fits all keyboard sizes.

Features and Benefits

- Pads situated where hands naturally rest for exceptional comfort
- Dedicated numeric pad support for comfortable number input
- Distributes pressure throughout the foam for comfortable typing
- Soft fabric cover
- Universal size fits all keyboards
- Non-slip base keeps pad in place
- Available from November 2003
